

Who are we? What have we experienced?

“...if we teach today as we taught yesterday,
we rob our children of tomorrow.”

John Dewey

Technology in Schools – *When Introduced?*

Staying Relevant?

- Personal Computers Introduced (Apple II, PET, Atari, Commodore, TRS80, etc.)
- Filmstrips
- Movies
- Mimeographs
- Copy Machines
- GUI Computers Introduced (Macintosh)
- Productivity Suites (Office, AppleWorks, Etc.)
- Multimedia/Hypermedia
- Email
- WWW
- PDAs
- Laptops
- Digital Cameras
- Digital Video Cameras

Technology Chronology Chart

As a team of 4

- Put the previous technologies within the decade they were widely introduced to schools. (Each person should write the answers on their own sheet.)
- Bonus points for getting them in the right order within each decade!

Educational Technology from the blackboard to blackboard.com	
1900 - 1950	
1950 - 1960	
1960 - 1970	
1970 - 1980

Technology Chronology Chart

Individually

- Add 5-10 other technologies you have experienced in your school careers as a student or teacher.
- **Highlight** those that have had a **major** affect on your education or within your own classroom.

Educational Technology from the blackboard to blackboard.com	
1900 - 1950	
1950 - 1960	
1960 - 1970	
1970 - 1980	
1980 - 1990	

Technology Chronology Chart

As a team

- Round Robin: Brainstorm 5-10 other technologies you have heard about that might make their way into the second half of this decade.

Whole group

- List brainstormed technologies
